

**ALL TOGETHER WE WILL
SAVE THE PLANET!**

ENGLISH VERSION!

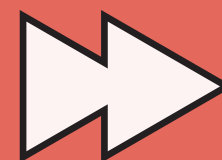

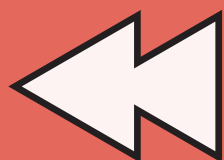

Our planet is collapsing,
Love and Respect are our tools,
Its resources we must preserve,
and all together we should take care.

If the 3Rs we respect,
our Earth resources we will defend.

Reduce, reuse, recycle
This is what I say and promise to do

The common good is our goal,
and all together we'll save our world.

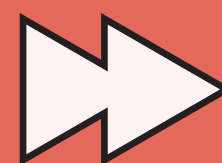

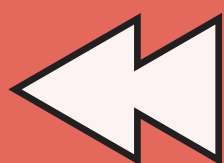

SPANISH VERSION!

Nuestro planeta está colapsando
El amor y el respeto son nuestras armas
Sus recursos hay que preservar
Y todos vamos a cuidar.
Si las tres erres respetamos
Los recursos de la Tierra salvaremos

Reducir reciclar reutilizar
Esto es lo que prometo hacer

El bien común es nuestra meta
Y juntos salvaremos la Tierra.

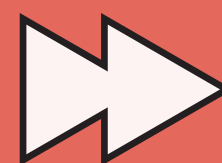

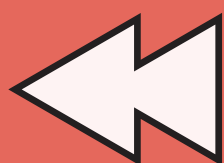

ITALIAN VERSION!

La nostra terra sta andando a pezzi,
amore e rispetto sono i nostri mezzi.
Le sue risorse dobbiamo preservare,
stando attenti a non sprecare.
Se le 3R rispetterai,
le risorse della terra non sprecherai.

Rit.Riduco, riuso, riciclo,
prometto e faccio ciò che dico.

Il bene comune è la nostra meta,
e tutti insieme salveremo il pianeta

NORWEGIAN VERSION!

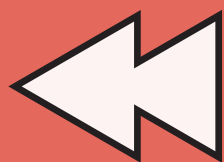

Vi ser vår verden, den har problemer
og vi må gjøre noe nå.

Vi må ta vare på alt det fine –
Alle sammen må bli med.

Vi har tre R'er vi respekterer
Så jorda har det bra.

Gjenvinn, spare, minske – og vi lover å gjøre det.

Fellesskapet er vårt mål
alle sammen må bli med
så redder vi vår jord.

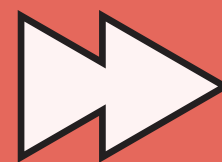

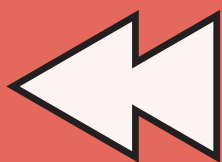

GREEK VERSION!

Η μάνα Γη μας, που κινδυνεύει,
για αγάπη και για σεβασμό μάς συμβουλεύει.
Να προφυλάξουμε τα μέσα που μας δίνει,
με προσοχή και με ευθύνη.

Εάν το Π.Α.Ν.Τ.Α. ακολουθούμε,
αυτά που έχουμε δεν θα τα σπαταλούμε.
Περιορίζω και Ανακυκλώνω,
με νέο τρόπο τα σκουπίδια Ανανεώνω.

Ο στόχος; Το κοινό καλό για τη ζωή.
Έτσι θα σώσουμε τη γη, όλοι μαζί.

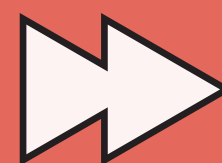

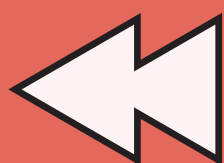

LATVIAN VERSION!

Jūru, mežus, pļavas, upes
Visi kopā saudzēsim.
Zemi zaļo, tīro gaisu
Mēs aiz sevis atstāsim.

Mīliet sauli, mīliet sevi
Un par citiem domājiet.

Mācies taupīt, mācies sargāt,
Mācies dabu saudzēt tu!

CZECH VERSION!

Naše planeta se rozpadává,
lásku a respekt stačí mít,
její zdroje musíme chránit
a společně čistý svět chtít.

Respektujme tedy 3R
zdroje země pojdme brániti.
Redukovat, recyklovat, renovovat
to by měl byt náš cíl.

Společně tak vlastně můžem
naší Zemi zachránit
